

U.S. General Services Administration

SMOKING POLICY MAJOR GENERAL EMMETT J. BEAN FEDERAL CENTER

The following guidelines are effective November 22, 2010. These guidelines are in accordance with Federal Management Regulation, Section 102-74.315 of Title 41, Public Contracts and Property Management.

Smoking is prohibited on the grounds except in areas designated as smoking areas. The following areas are designated smoking areas:

- West side of the building in the designated smoking area for MEPS.
- East courtyard/truckwell lawn and patio beyond the connecting bridge, ADA ramp and stairs.
